Comfort Flo and ConchaTherm® combine to deliver High Flow Nasal Cannula Therapy, without compromise. The Comfort Flo Humidification system allows you to safely and effectively deliver heated, humidified oxygen therapy to a broad range of patients. Featuring an adjustable airway temperature and gradient control, the ConchaTherm Neptune® allows you to customize therapy to enhance patient comfort while minimizing condensation build-up. The disposable delivery system and line of specialty cannula allow flow rates ranging from 1 to 40 LPM. The Concha gravity feed setup is easy and reliable with no purging or tubes to fill. The Comfort Flo Humidification System is completely disposable and requires no cleaning minimizing cross-contamination concerns.

COMFORT FLO® HUMIDIFICATION SYSTEM
Heated Humidified High Flow Nasal Cannula Therapy (HH-HFNCT)

AT A GLANCE

- Provides continuous flow to spontaneously breathing patients of all sizes
- Unique Comfort Flo Concha-Column™ maintains constant water level for maximum humidification at all flows
- Sterile column and prefilled water reservoir with aseptic puncture spike connections
- Soft, comfortable nasal cannula sold separately

Comfort Flo and ConchaTherm® combine to deliver High Flow Nasal Cannula Therapy, without compromise.

The Concha gravity feed setup is easy and reliable with no purging or tubes to fill. The Comfort Flo Humidification System is completely disposable and requires no cleaning minimizing cross-contamination concerns.

---

**DON'T SACRIFICE CONTROL, COMPLIANCE, OR COST... USE COMFORT FLO.**

### THE DIFFERENCE IS EASY TO “C”

#### Control

Unique Adjustable Airway Temperature and Gradient Control features allow you to customize therapy and control circuit and cannula condensation.

#### Compliance

Delivers Optimal Humidity across a broad range of flows, maximizing patient comfort and therapy compliance.

#### Cost

Compatible with the ConchaTherm heaters utilized for other active humidification applications, eliminating the need to purchase additional costly equipment and accessories.

---

Do Not Contain Latex. Rx Only.
