

GOVeIn European eInvoicing Project:
Implementation of the European electronic
invoice within the Public Health Area

TELEFLEX MEDICAL EU and GOVeIn European eInvoicing Project

GOVeIn is an initiative co-financed by the European Union under CEF Program (Connecting Europe Facility) and led by EDICOM with the high-level objective of promoting e-invoicing capabilities in public healthcare sector in Europe (EU zone).

TELEFLEX MEDICAL EU actively participated in all e-invoicing pilot project phases in a yearlong project that started on October 2016. Other public and private bodies that have also been part of this consortium representing 8 countries were: *Derby Teaching Hospitals NHS Foundation Trust (United Kingdom), London North West Healthcare NHS Trust (United Kingdom), Instytut Kardiologii im. Prymasa Tysiąclecia Stefan, Kardynała Wyszyńskiego (Poland), Universitair Medisch Centrum Groningen (Netherlands), Centre Hospitalier Intercom Compiègne Noyon (France), Centre Hospitalier Alpes-Isère (France), Abbott Laboratories S.A (Spain), Werfenlife (Spain), Healthlogistics Co. UK. Ltd. (United Kingdom), Universidad Carlos III de Madrid (Spain), Universitat Politècnica de València (Spain), Universitat de Valencia (Spain), Università della Calabria (Italy), Universitatea de Vest din Timisoara (Romania), Budapesti Muszaki és Gazdaságtudományi Egyetem (Hungary) y Leading Management Technology (Spain).*

Aiming to optimize the transactional flows between hospitals and suppliers this e-invoicing pilot has been developed with the following agreed key detailed objectives as follow:

- 1) Enhance e-invoicing interoperability to easy adopt the e-invoicing regulation that will be mandated in European public health care sector by end of 2018.
- 2) Increase user awareness of electronic eInvoicing benefits, such as: *e-invoices are easier to process, they reach the customer faster and can be stored centrally at very low cost, faster payment by customers (such as public administrations) through significantly reducing transit time, provide support in the implementation of EU eInvoicing legislation.*
- 3) Build e-invoicing Services Business Solutions to ensure the sustainability of the result of this action. *Public authorities and solution providers who utilise the CEF eInvoicing building block, are also introduced to CEF eDelivery and its benefits.*
