Pronto® V3 Extraction Catheter
Deliverability in Design
Deliverability and Vessel Protection

The Pronto® V3 Extraction Catheter was specially designed for deliverability during percutaneous thrombus aspiration with a uniquely engineered tip to help prevent vessel wall adhesion. The full-length braided shaft is engineered to enhance pushability and kink resistance while maintaining flexibility. This combination offers impressive deliverability when and where it’s needed most.

Patented Silva tip
- Designed to prevent vessel wall adhesion
- Tapered distal tip designed to prevent vessel damage and improve navigation

PTFE lined wire lumen
for smooth guidewire movement

Shaft Construction
- Distal Shaft
- Full-Length Braided Shaft
- Proximal Shaft

Hydrophilic coating
on the distal segment promotes smooth vessel navigation and trackability

Hydrophilic coating
on the distal segment promotes smooth vessel navigation and trackability
Designed for Rapid Thrombus Removal

Uniformly Large Extraction Lumen
Engineered to maximize thrombus extraction force

Packaged in quantities of 1 unit per box.
The Pronto® V3 Extraction Catheter is indicated for the removal of fresh, soft emboli and thrombi from vessels in the coronary and peripheral vasculature.
*Testing completed by Teleflex. Data on file. Test results based on average of 10 aspiration cycles at an average extraction rate of 15 cc/s. Bench test results are not necessarily indicative of clinical performance.

Teleflex is a global provider of medical technologies designed to improve the health and quality of people’s lives. We apply purpose-driven innovation – a relentless pursuit of identifying unmet clinical needs – to benefit patients and healthcare providers. Our portfolio is diverse, with solutions in the fields of vascular and interventional access, surgical, anesthesia, cardiac care, urology, emergency medicine and respiratory care. Teleflex employees worldwide are united in the understanding that what we do every day makes a difference. For more information, please visit teleflex.com.

Teleflex is the home of Arrow®, Deknatel®, Hudson RCI®, LMA®, Pilling®, Rüsch®, UroLift®, and Weck® – trusted brands united by a common sense of purpose.
